

The Members and Officers of the Insuralex Group request the pleasure of your company at a Presentation to our friends and colleagues in the North American, London and International Insurance and Reinsurance Markets.

We are pleased to present Lawrence Pollack, Esq., former Partner at Dewey LeBoeuf, who is currently a mediator at JAMS New York Resolution Centre to discuss "Mediation Issues". Eric Ross, Beazley's Leader, Global Private Enterprise Claims, Shauna Reeder an Assistant Vice President at CNA and Naomi Kinderman an Assistant Vice President-Counsel at W.R. Berkley Corporation will discuss "Insurers' Selection of Outside Counsel".

After the presentation, we would be delighted if you could join us for a cocktail reception, where members of the market and of Insuralex can mingle.
