# DATES WITH AGENDA

## Conference

**Location:** University Frankfurt, Auditorium Complex, 3rd floor,  
Theodor-W.-Adorno-Platz 1, 60323 Frankfurt/M

Neither internet nor network-connections of the insured enterprises, neither hacking nor malware stops at national borders. Therefore protection against Cyber-risks has to be a global concept.

Hence Insuralex in co-operation with DGVH dedicates this conference exclusively to the international aspects of cyber-insurance. Please find the conference programme at the next page.

## Excursion to De-Cix

**Meeting point:** Old Opera ("Alte Oper") Frankfurt, Opernplatz, 60313  
Frankfurt/M  
vis-à-vis to the exit of the Sofitel-Hotel

**Meeting time:** 9.45 h

As introduction we are happy to offer an excursion into the security area of the De-Cix, the largest known internet knot clearing the complete German internet traffic.

A bus shuttle will take you from Old Opera to De-Cix and directly to the conference location. Please note that you have to hold your passport ready and submit a copy for purpose of a security check as De-Cix is critical infrastructure. Unfortunately **the number of participants is limited.**

## Dine around Frankfurt

**Location:** Diverse Restaurants in Frankfurt

**Time:** 20.00 h

To follow-up your conference contacts we organized a few dinner tables in some recommended restaurants around Frankfurt. You can choose your preferences at the registration. To reach your location a walk or a ride by Taxi will be necessary. The exact location will be announced in good time. Please note that dinner and drinks are not included and the number of participants is limited.

We are happy to welcome you to an exciting and culinary conference day in Frankfurt!
