WHY INSURALEX

“Our group possesses a common sense of international awareness which allows us to tailor our services to the needs and expectations of our clients. We base our activities and services on understanding the insurance business at a local level. We aim at helping to achieve our clients’ goals by combining a uniformly high standard of services with local expertise.”

Amelia Brault,
PAST PRESIDENT

THE POWER OF GLOBAL REACH

*Founded in 2002, **Insuralex** (Trusted International Legal Advisors for (Re) Insurance) is a group created by more than **50 independent law firms** from Europe, North America, Latin America, Asia and the Middle East that specialise in Insurance and Reinsurance coverage, defence, litigation and all other related legal services.*

Insuralex's clients can take advantage of a powerful network from each side of the world, from California to Japan.

Globalisation and changes in the world wide Insurance market enable Insurers and Reinsurers to market their products across national borders in a growing global economy. Different local laws and procedures may affect the conduct of insurance business on a cross-border basis and this is evident in the handling of international or multinational claims.

An Insurer can navigate these complexities by using a group of lawyers from different jurisdictions who are each specialised in their respective national insurance and reinsurance law systems but who are also affiliated to work with each other.

Insuralex exists to provide its members with a world-wide referral network of the highest quality in the fields of insurance, reinsurance, coverage, defense and litigation.

Insuralex works for a wide range of clients including insurance and reinsurance companies, Lloyd's syndicates, insurance and reinsurance brokers as well as captives and self-insured companies.

Insuralex is an elite grouping of insurance law firms and gaining membership is difficult. Each member of Insuralex is considered to be a leading practice in this specialist field within its national jurisdiction.

Insuralex is known for the outstanding quality of its member firms and has been recognized as such year after year by the Chambers & Partners Guide. Insuralex is the only insurance focused international network ranked in Global Chambers as a Leading Law Firm Network.

Insuralex has represented major companies in some of the most significant disputes.
